1920 vs 2020

Graduation Programs,
History,
Culture,
Discoveries,
Explorations,
Inventions,
Medical Courses,
Science,
Professional Programs,
Research,
Technology,
Society,
Laws,
Engineering Programs,

has changed a lot, comparing 1920 versus Present Days.
Woke up to new days Preschool Curriculum
Preschool Curriculum of Present times, from:

Data Interpretation is very important for MBAs, Engineers, CAs.

Do you know???

It is equally important for Preschoolers and Kindergarteners.

so, Data Interpretation and Statistics is in our Preschool and Kindergarten Curriculum™.

Hardwork itself is FUN.

Your Preschool uses beautifully designed **Worksheets**

Happy with that...

**The Fact:**

Worksheets, if not Academically Planned, for effective targeted learning experiences, ends to promote **ROTE Learning**.

(Just like the example shown here)
